Invitation

My Dear Colleagues,

On behalf of the organizing committee, it is a great honor to invite you to attend the joint meeting of the 9th Asian Thoracic Surgical Club (ATSC) biennial conference and 2017 Korean Association for Thoracic Surgical Oncology (KATSO) autumn conference. The meeting will take place from Sep 14th to Sep 16th 2017 at Maison Glad Hotel Jeju, Korea. ATSC represents the highest level of research, diagnosis, treatment of thoracic surgery. There will be an an academic meeting composed of symposium, free oral presentation and poster display. Several distinguished top experts will focus on future medicine, cutting edge technique in thoracic surgery and preferences or controversies in lung cancer and thymic tumors. I hope you will exchange clinical experiences, insightful ideas and discuss future development in the meeting. For your outstanding achievements and influences, I sincerely invite you to attend the joint conference of ATSC and KATSO. Your attendance will be kindly appreciated.

Looking forward to seeing you in Jeju Island, Korea!

Best regards,

Sanghoon Jheon M.D., Ph.D
President, Asian Thoracic Surgical Club & Korean Association for Thoracic Surgical Oncology
Professor, Thoracic and Cardiovascular Surgery, Seoul National University, Korea
